

Bobalu Brunch Charcuterie Board

This recipe does not have ingredients or directions. We simply ask that you watch the video and create your own version. This brunch board has berries, grapefruit, cheese, olives, carrots, honey, grapes, oranges, salami, crackers. It is designed for brunch, but you can add your own twist for an appetizer or lunch theme with your favorite items. The video has great tips on how to build a beautiful board everyone will enjoy!

These are easy and fun to prepare and share. Please send us a photo of your creation to cjewell@bobalu.us , or tag us on Instagram so we can share on social media.
