

**SPIKED STRAWBERRY  
SHAMROCK SHAKE** 🍀

6 scoops french vanilla ice cream

1/3 C Milk

1/4 C Vanilla Vodka

1 C Sliced Bobalu

Strawberries

Green Food Coloring (To achieve this color, we used about 1/4 bottle)

White chocolate shavings to garnish (optional)

Combine all ingredients except food coloring in a blender until smooth. If it is too thick, add a little more milk. Once it is blended all the way through, slowly add in the food coloring until you have achieved desired color. Top with a scoop of ice cream and add a strawberry and white chocolate shaving for garnish if desired. Serve immediately and enjoy! Happy St. Pats! ❤️
