

COPY CAT PINK DRINK!

About 5 large fresh Bobalu strawberries (sliced)
Coconut milk
Pink Cranberry Juice (we used Ocean Spray)
Green Tea (optional if you want a little caffeine)
Ice cubes

Fill a tumbler or tall cup with ice. Fill the glass halfway full with coconut milk. Add most of the strawberries on the top of the ice reserving a few to top the drink. Pour in the cranberry juice to the top. If you opt in for the Green Tea, save some room and only fill the cranberry $\frac{3}{4}$ to the top and fill to the top with the green tea. Mix well and top with more fresh sliced Bobalu strawberries. Enjoy
